News Around Town

By Mrs. Calvin Robinson

I liked this one:

Mrs. Simons glanced at the scare headline in her favorite newspaper, which read: "Bank robbed! Police at sea!" She laid down the paper. "Now look at that, Ed!" she said, turning to her husband, repeating the headline aloud. "There's a big city bank broken into by burglars and the city police force all off fishing. What a scandal!"

Oral Hygiene.

Friends were delighted to see Mr. R. L. Burke down town Tuesday afternoon.

Election of officers was postponed until the June meeting.

POPPY DAY HERE

The memorial poppies which will be worn here on Poppy Day, May 28, in honor of America's war dead have been made by disabled veterans of three wars, the two world wars and the Korean conflict, according to Mrs. C. T. Moses, Jr., Poppy Day Chairman of the local American Legion Auxiliary.

The little crepe paper flowers have been made at Kekaughton veterans hospital under the direction of the Poppy Department of the Auxiliary. The work has been given to those who could profit from its occupational therapy value and who were in most need of the earnings. Poppies have been made in scores of hospitals throughout the nation, and in convalescent workrooms that are maintained by the Auxiliary.

Local citizens are expected to join in support of this worthwhile event.

HIGHWAY COMMISSION APROVES ALLOCATIONS

Tentative primary highway construction allocations for the 1955-56 fiscal year totaling $41,139,411 have been confirmed by the State Highway Commission with two additions—both in the Bristol District.

In announcing final action on the allocations last Friday after public hearings in Roanoke and Richmond, the Commission provided $85,000 for a bridge over the North Fork of the Holston river at Saltville on Route 91 in Smyth County, and $10,000 for a sidewalk on Route 83 at Grundy in Buchanan County.

Funds for the bridges were obtained by halving a 100,000 tentative allocation for widening bridges and culverts in the Bristol district, and taking $35,000 from a $45,000 district reserve fund. Money for the Grundy project was taken from a $200,000 tentative allocation for construction on US Route 460 in Buchanan County east of Grundy.
